MEDICINAL.

LIVER

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. **MERRELL'S LIVER PILLS**, the great vegetable discovery for torpidity, causes the liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few doses upon yellow complexion or a brown, dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking **Hepaline** in accordance with directions. **Hepaline** is generally cured in twenty minutes, and no drink of the urine from the liver can exist if a fair trial is given. Take no pills when you can get **Hepaline** at the same price. For sale by all Druggists. **PRICE 25c and 51c.**

LUNGS

The facility of Consumption or Tubercle and Lung Diseases, which sweep to the grave at least one third of all deaths' victims, arises from the Opium or Morphine treatment, which simply stupefies as the work of death goes on. \$10.00 will be paid for Opium or Morphine or any preparation of Opium, Morphine or Prussic Acid can be found in the **GLOBE FLOWER COUGH SYRUP**, which has cured people who are living to day with one remaining lung. No grocer, druggist or anyone else has done more to cure Consumption than the **GLOBE FLOWER COUGH SYRUP** will cure it when all other means have failed. Also Coughs, Croup, Asthma, Bronchitis and all diseases of the throat and lungs. Read the testimonials of the Hon. Alex. H. Stephens and others in our book—free to all at the drug stores. Take no Troches or Lozenges for sore throat, when you can get **Globe Flower Syrup** at same price. For sale by all Druggists. **PRICE 25c and 51c.**

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. No one cures of Scrofula, Syphilis, White Swelling, Ulcers, Sores, Skin Diseases in a thousand is treated without the use of Mercury in some form. Mercury retards the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be cured by Doctor **FEMBERTON'S STILLINGIA** or **QUEEN'S DELICIOUS** is the only medicine upon which a hope of recovery from Scrofula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer, \$10.00 will be paid by the proprietors if Mercury, or any ingredient not purely vegetable and harmless can be found in it. Price by all Druggists **51c.**

MEDICINAL.

VEGETINE

AN EXCELLENT MEDICINE.
Springfield, O., Feb. 28, 1877.
This is to certify that I have used Vegetine, manufactured by H. R. Stevens, Boston, Mass., for Rheumatism and General Prostration of the Nervous System, with good success. I recommend Vegetine as an excellent medicine for such complaints. Yours very truly,
W. VANDEGRIFT.

Mr. Vandegrift, of the firm of Vandegrift & Hoffman, is a well known business man in this place, having one of the largest stores in Springfield, O.
SAFE AND SURE.
Mr. H. R. Stevens, in 1872 your Vegetine was recommended to me, and yielding to the persuasions of a friend, I consented to try it. At the time I was suffering from general debility and nervous prostration, superinduced by overwork and irregular habits. Its wonderful strengthening and curative properties seemed to affect my debilitated system from the first dose; gaining more than usual health and good feeling. Since then I have not hesitated to give Vegetine my most unqualified endorsement, as being a safe, sure and powerful agent in promoting health and restoring the wasted system to new life and energy. Vegetine is the only medicine I use; and as long as I live I never expect to find a better. Yours truly,
W. H. CLARK, 120 Monterey st., Alleghany, Pennsylvania.

VEGETINE
The following letter from Rev. G. W. Mansfield, formerly pastor of the Methodist Episcopal Church, Hyde Park, and at present settled in Lowell, must convince every one who reads his letter of the wonderful curative qualities of Vegetine as a thorough cleanser and purifier of the blood.

Hyde Park, Mass., Feb. 15, 1870.
Mr. H. R. Stevens,
Dear Sir: About ten years ago my health failed through the debilitating effects of dyspepsia; nearly a year later I was attacked by typhoid fever in its worst form. It settled in my back, and took the form of a large deep-seated abscess, which was fifteen months in gathering. I had two surgical operations by the best skill in the state, but received no permanent cure. I suffered great pain at times, and was constantly worried by profuse sweating. I also lost small pieces of bone at different times.

Matters ran on thus for about seven years, till May, 1874, when a friend recommended me to go to your office, and talk with you on the virtues of Vegetine. I did so, and by your kindness passed through your manufactory, noting the ingredients, &c., by which your remedy is produced.

By what I saw and heard I gained some confidence in Vegetine.
I commenced taking it soon after, but felt worse from its effects than I expected, and soon felt it was benefiting me in other respects. Yet I did not see the results I desired till I had taken it faithfully for little more than a year, when the difficulty in the back was cured; for nine months I have enjoyed the best of health.

I have in that time gained twenty-five pounds of flesh, being heavier than ever before in my life, and I was never more able to perform labor than now.

During the past few weeks I had a scrofulous swelling enlarge as my list gather on another part of my body. I was troubled with scrofula or kidney disease, and it takes time to cure chronic diseases; and, if they will patiently take Vegetine, it will, in my judgment, cure them.

With great obligations I am
Yours very truly,
G. W. MANSFIELD,
Pastor of the Methodist Episcopal Church.
